

MORINI RIDERS CLUB- Covid-19 update 11th April 2020

Morini Riders Club ATG- printing delays

We hope that this message finds you safe and well.

As you are undoubtedly aware, the world is facing unprecedented times with the spread of coronavirus and many businesses and employees are finding their daily lives changed beyond all recognition as Governments strive to contain and slow the spread of the virus.

Our printers are one such business who are currently closed due to the lockdown. As such, the Committee have taken the decision that we will continue to produce ATG at the normal frequency, however whilst the printers is closed, ATG will be available only in digital form from the members area of the website. Rest assured, we will backfill the missing printed copies to all full members later in the year.

We are aware that other print houses exist, however many businesses will be feeling the strain now, and for a long time after corona virus passes, and we feel that showing some support to our long standing supplier by not immediately taking our business elsewhere is the right thing to do. Additionally, whilst we would love to get paper copies of our magazine to you, we feel that producing and distributing over 400 magazines across the world is not morally wise at this time. We hope that you understand this decision.

As always the latest copy of the magazine is available in the members area at the below link. You will need your members area username and password to access. These were on your 2020 renewal or new member letter, and please note that they are NOT the same username and password as used on the forum. If you are unsure of your username or password, please contact the membership secretary: membership@morini-riders-club.com

We will continue to maintain contact with our members by way of the website, forum and ATG, and we hope that for those of you who are able, some (perhaps long overdue) garage time may be an unexpected consequence of the lockdown (and the Editor would love to hear your tales of lockdown in the garage)

Stay safe, and we look forward to seeing you all again as soon as is possible.

The MRC Committee

Please bear in mind during these difficult times that the club is an entirely volunteer run, not-for-profit organisation. The Committee are continuously monitoring the Government

guidelines. Our aim is to mitigate the risks to our members' and the wider public's health whilst also looking to minimize the financial burden on the club that this year will bring.

We will be keeping you updated predominantly on the website's dedicated page <http://www.morini-riders-club.com/covid19> but should you need to contact us please do not hesitate to. Our contact details can be found in the back of ATG, or alternatively you can email us at:

chairman@morini-riders-club.com
membership@morini-riders-club.com

secretary@morini-riders-club.com
editor@morini-riders-club.com

Wishing that you all stay safe and healthy, and are able to use the time at home to finish those projects lurking in the garage. See you when we're through this.

Morini Riders Club- Keeping Morinis *off the road**

*Briefly, normal service will hopefully resume soon
